

Who is MAPP? What is our purpose?

MAPP is a giving organization comprised of the nation's most successful plastics manufacturing companies. *We are...*

- ***United*** in the belief that American plastics companies can compete and win if we help each other understand today's best practices;
- ***Driven*** to provide cutting edge resources and paradigm shifting information to significantly strengthen our members;
- ***Duty-bound*** to connect plastics professionals for the purpose of promoting mutually beneficial knowledge sharing that propagates success and impacts industry sustainability.
