Email solicitation for ideas:

Good morning all,

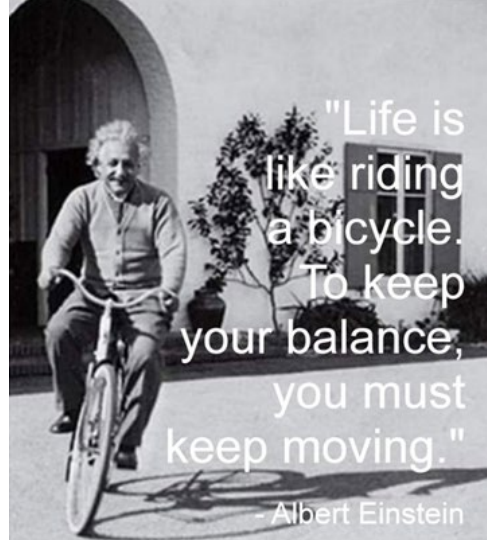

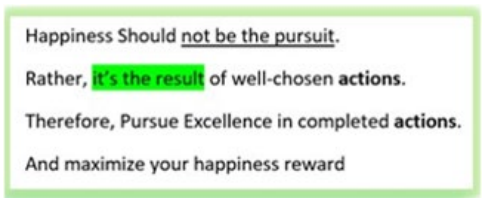

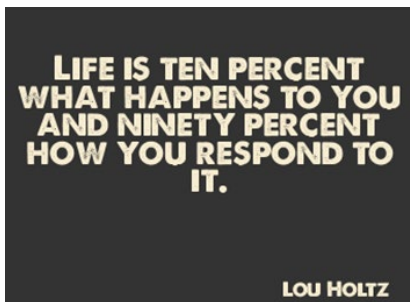

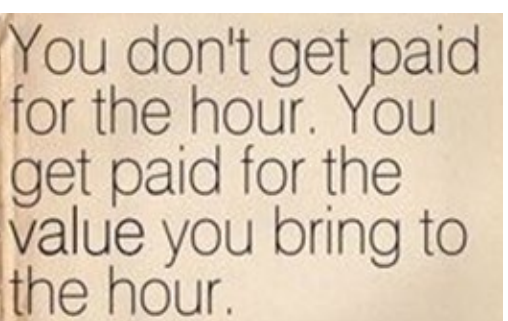

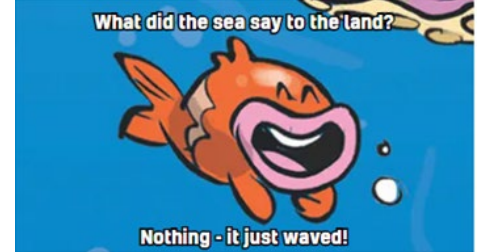

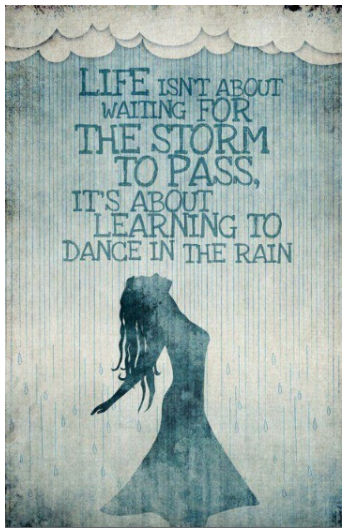

In spite of all of the heavy hearted events going on in the world, I would like to request some light hearted quotes, sayings, shares.. anything that can help bring a smile to someone's face that is really having a tough time. I am going to start this with a quote from Vivian Green:

"Life isn't about waiting for the storm to pass. It's about learning how to dance in the rain"

I wish you all a great day!
